Dear Valued Customer:

State and County laws require the annual registration and inspection of commercial devices and Point-Of-Sale (P.O.S.) systems, before being used or placed into service, to determine accuracy and ensure a fair and equitable marketplace. Registration fees offset the cost of inspection and testing to ensure commercial devices are in compliance.

- A separate registration application with fee is required for each business location with one or more Point-of-Sale stations. POS registrations are not transferable from one person to another or from one location to another.
- Registration applications not received within 30 days of the due date will accrue penalties. A 50% penalty is levied for each 30 days of delinquency, up to 200%.

FEE: 1-3 POS Stations = \$145; 4 or more POS Stations = \$170.

For Applications Issued:

January 1 through March 31.....
April 1 through June 30.....
July 1 through September 30.....
October 1 through December 31.....

Registration Period Expires On:

December 31
March 31
June 30
September 30

Please make any necessary changes, sign and return the enclosed application with the correct payment by Visa, MasterCard, check or money order payable to: **County of San Diego.**
